This matter is before the court on the Unopposed Motion to Continue Trial [27]. Counsel needs additional time as this case involves a large amount of digital evidence which counsel must view in order to advise and discuss with defendant. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [27] is granted, as follows:

1. The jury trial now set for May 4, 2021, is continued to **August 10, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and August 10, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED: April 23, 2021.
